\* **Next row (RS):** Work 5 (6 ~ 6 ~ 8) sts, continuing in basketweave pattern, then place remaining sts on holder. Staying in pattern, continue on only these 5 (6 ~ 6 ~ 8) sts for 2 (2 ~ 2½ ~ 2½)", ending with a RS row. Place sts on a second holder and cut yarn.

Rejoin yarn and bind off next 6 (7 ~ 8 ~ 9) sts from first holder for leg opening, then (continuing in basketweave) work only next 23 (29 ~ 37 ~ 41) sts for 2 (2 ~ 2½ ~ 2½)", ending with a RS row.

\* **Next row (WS):** Still in basketweave pattern, work 5 (6 ~ 6 ~ 8) sts from needle. Cast on 6 (7 ~ 8 ~ 9) sts. Then work 23 (29 ~ 37 ~ 41) sts from third holder. Cast on 6 (7 ~ 8 ~ 9) sts, then work remaining 5 (6 ~ 6 ~ 8) sts from second holder. Continue until sweater measures 6 (6½ ~ 8 ~ 8½)" or desired length from beginning, ending with completion of first or second set of pattern rows.

### NECK SHAPING

Locate center st and place marker just before it.

\* Beg with a knit row, change to st st and knit to 1 st before marker. Insert the right needle into the next 2 sts on the left needle as if you were knitting them together and slip them to the right needle. Knit the next st on the left needle. With the left needle, pull both slipped sts over the stitch you have just knitted. This decreases two stitches and creates a pretty center vertical line.

\* Continue in st st, decreasing only on RS, until sweater measures approx 7 (8 ~ 9 ~ 10)", ending with a WS row.

\* Knit 2 additional rows without increases, then bind off on RS.

## LEGS

With RS facing, size 5 dpns and MC, pick up and k 32 (34 ~ 40 ~ 40) sts evenly around each leg opening. Knit, decreasing 1 st on each side, until leg is a comfortable fit for your dog. Continue without decreases until leg is desired length. Bind off loosely on RS.

- \* Block.
- \* Make flowers (see boxes on this page) and fasten to sweater, using center buttons to anchor and tacking down petals.
